

## Learning Management System (LMS) HELP

### ENROLLMENT IN A RADIOLOGICAL EMERGENCY PREPAREDNESS E-LEARNING COURSE

1. After login, click on the *Training Programs* tab in the navigation bar.
2. In the *Training Programs* page, click on the *Radiological Emergency Preparedness* Learning Path.
3. Once in the *Radiological Emergency Preparedness* page, find the *ELearning Courses* tab.
4. Choose the course you want under the *ELearning Courses* tab and click the *Start* button to begin, or click the *More Info* button to go to the course page and click *Start* there.
5. Some ELearning courses require enrollment in the *Radiological Emergency Preparedness* Learning Path prior to starting the course.
